

The Descendants of Johann Conrad Wahl (1744 – 1814)

This report is based on original research by Keith Meintjes. A substantial part is based on research at GISA by Andre Kellerman in the two years before his death, where he revisited all the original sources for the early generations. Lorna Olivier, also at GISA, assembled information for a number of families from the Paarl (Strooidak) registers, which appear not to have been examined for either de Villiers / Pama nor SA Genealogies. A number of Wahl family members have contributed their own notes. Cathy Wahl of Cape Town deserves a special mention in this regard. Ellen Stanton helped immensely to connect families by providing information on Wahl marriages from her data base.

This report contains only the members of the family that I have been able to link to the progenitor, or stamvader. My data base contains many other WAHLs where I have not been able to establish such links. Further information on the family will be gratefully received: umfundi@usa.net.

This research is, I think, unique in that every fact (name, date and place) has a reference quoting the source. I have taken care to do this, and to document contradictions in the notes. These sources do vary in detail, from individual MOOC documents that I have examined, to broad references to the SA Families omnibus or to familysearch.org. Where individual researchers have provided information, I have quoted these as Personal Communications.

First Generation

He died^{7,8} on 15 Oct 1814.

SAG a2

Also Johan Coenraad. Of Wildungen, Germany. Arrives 1774 as soldier in the "Herstelder". Asks for burgher papers 05.09.1780.

Johan Arend Conraad = 1788

Update (3/27/07):

Sover wil dit voorkom asof Daniel Hendrik Wahl getroud was met Maria Catharina Reyneke. Ons het 'n trou sertifikaat. Haar ouers was Adam Johannes Reyneke en Elizabeth Wilhelmina Booyesen. Dit pas want Daniel Hendrik en Maria Catharina se kinders het daardie name (en ek die kinders se name by manie Wahl gekry). Die kinders is: Adam Johannes Wahl (Oupa Jonny), Elizabeth Wilhelmina, Magdalena Catharina, Nellie en Maggie. Dus kom die Adam Johannes Wahl van die Reynekes af. Daniel Hendrik se ouers is onbekend. Dan het ons ook Daniel Henrik se boedel, sien paragraaf na die volgende een.

Ons het nog nie die geboorte sertifikaat van Daniel Hendrik of Maria Catharina nie, maar ons het wel 'n (ander) Daniel Wahl (1856-1933) sin, maar die name op daardie sertifikaat maak nie sin nie (Vrou:

Wilhelmina Elizabeth Steadler Wahl, gebore Johnson. Kinders: Johanna Wilhelmina van Eyssen Wahl, Kathrine Murial Johnson Wahl, Daniel Theodore Steadler Wahl). Die Daniel se ma was Johanna Francina van Eyssen, en die pa was ook Daniel Wahl. So wie weet waar pas hy in? Dis die een wie se sertifikaat ons gister gestuur het, voor ons geweet wat ons vandag weet!

Daniel Hendrik Wahl se boedel - alles uit die argief fotos en in Engels (die boerpot!):
