 »α Originally thought to be the youngest child. Born between 1710 -
 1711, Cape of Good Hope (date assumed) died January 1779 wil l
 dated 4 January 1779 and filed 28 January 1779 Notes: In their
 joint will of 1779, the couple is described as: den burger Johan nes
 Smith Jacobusz: en desselfs huisvrouw Catharina Magdalena Mares.
 Their property is left to the children of their brothers and sisters
 (met versoe k van 't uijtsterste ben[e]ficierie der neefkens) with a
 specific bequest of 200 R irdollars to Floris Johannes Slabbert,
 soontje van Johannes Slabert Gideonsz: De Villiers / Pama gives the
 marriage date as 29.11.1743. If this date is correc t, then the
 parties were presumably born before circa 1723. This means that
 Johannes Smit cannot be the youngest child of Jacobus Smit and E
 lizabeth Slabbert as given in DeV/P and, given the fact that
 Elisabeth Slabbert , in her will of 1756, lists Jan Smit at the head of
 her children, his mos t likely date of birth would appear to be
 around 1710 or 1711. Johannes Smit and Catharina Mares were
 witnesses to the baptism of their niece A letta Catharina Smit,
 daughter of his brother, Alewijn Smit and Engela Helena va n
 Niekerk on 30th July 1769 at Swartland.

»α There is no mention in the marriage register entry as to whether
he or his wife had been previously married or not, nor is there any
patronymic to indicate who his father was. On the death notice of
his son, Jacobus Hendrik, he is entered as 'Alewijn Smit', Jacobus
Zoon'; in the joint will made by him and his wife in 1774 he is name
d as Alewijn Smit Jacobz. and in the estate distribution file produced
by the We eskamer on the death of his widow, Engela Helena van
Niekerk, made in July 1820, her late husband is stated to be
Alewijn Smith Jacobuszoon. For this and other reasons (see Alewijn
Smit de oude <<http://www.ballfamilyrecor d s.co.uk/smit/I003.html>>) I have not followed De Villiers/Pama for
the parentage of this man but take him to be b2c12, page 893. His
baptism was witnessed by Alewijn Smit and Helena Gous. His will
was dated 9 April 1774 and filed 12 February 1788.
